I am amazed. Day in and day out, you are consistent. You only talk about God and positive things. I'm no body important, but I sure do appreciate that. And I'm very impressed. I wish I had your enthusiasm and belief. You post it and ill read it. Maybe it'll take hold some day. Yeah, I've prayed the sinners prayer..... But then nothing. You don't need to respond to this.

I just thought I could share this with you.
